DOCUMENT RESUME

ED 175 314 HE 011 575

AUTHOR Shealy, Robert E.
TITLE A Bibliography of the Literature Related to the Organization and Structure of Colleges, Universities, and Academic Departments.
PUB DATE Apr 79
NOTE 24p.; Prepared for the Institute of Higher Education Management, The University of Texas System, Austin

EDRS PRICE MF01/PC01 Plus Postage.
DESCRIPTORS *Administrative Organization; Administrative Personnel; *College Administration; *College Faculty; *Departments; Governance; *Higher Education; Information Sources; *Postsecondary Education As a Field of Study; Power Structure

ABSTRACT

Over 180 citations, not annotated, are presented in this bibliography on higher education administration, faculty, and governance. Citations are drawn from journal literature, books, papers, and dissertations in education and organization science since 1950. (MSE)
